Why Speak4MC?

Speak4MC isn't just another training company. When you collaborate with Speak4MC, you receive a personalized experience from someone who uniquely understands each organization's challenges and opportunities for growth. We aren't here to find customers but to help develop change movements. Any person and organization can grow, and we are eager to help inspire that process.

Most Popular Services

MOTIVATIONAL INTERVIEWING

Motivational Interviewing (MI) is the most effective evidence-based technique to help people explore and resolve ambivalence. MI has had more than 1,000 controlled trials and is twice as likely to help parties find common ground compared to standard mediation.

VIRTUAL OR IN-PERSON!!

CHANGE MANAGEMENT

Curtis Campogni has worked in direct care and high-level leadership roles with professionals who serve at-risk youth, dislocated workers, families, and adults. He has the unique ability to view problems from an MI perspective allowing him to identify solutions that each employee can relate to.
